

## RESIDENCE TWO

2050 sf, ranch with 2000 sf basement.

The lodge styled RESIDENCE TWO is designed to accommodate today's less formal lifestyle with a large vaulted great room open to the dining and kitchen. The study opening on to the entry and the private areas of the home can serve as an office or a third bedroom. The large master suite with private deck has a generous bath and large walk in closet. The 84' by 48' print allow this home to fit on a variety of lots. The covered front porch is large enough to be used as an outdoor living space in addition to the large private rear covered patio. Large windows throughout provide light and views to enhance this open plan.

Plans may be purchased from hawk architecture llc.
